About us

a cabinetry manufacturer, committed to whole house custom solution. We began to provide high-quality and professional OEM since 2009. Our collection is set out as a wide diversified choice and includes systems and furnishing accessories for the whole house: kitchens, wardrobes, bookcases, wall panel , TV cabinets and so on. We have Long-term cooperation with the designers all over the world, making many practical, low-key and extravagant works which are deeply loved by the customers.
